

# Building Challenge

## Eiffel Tower Paris, France

The Eiffel Tower is the most famous building in Paris. It stands in a beautiful park near the Seine River.

The tower was built for a world's fair called the Universal Exposition of 1889. The tower rose 984 feet (300 meters) above the fairgrounds. At that time, it was the world's tallest structure.

Eiffel Tower. (2020). In World Book Kids.
